

Our Mother of Perpetual Help School

Reverence, Respect and Responsibility

IT ALL STARTED AT OMPH!

OMPH School Alumni Spotlight

Lizbeth Stephan

OMPH Class of 2017

High School Attended: Lancaster Catholic (Class of 2021)

College Attending: Messiah University, pursuing a B.S. in Music Education

Share with us some of your activities and events you've been a part of at LCHS:

"I have participated in Spanish Club, Guitar Ensemble, National Honor Society, Respect Life Club, Spanish National Honor Society, Tri-M Music Honor Society, Orchestra for the Spring Musical, Jazz Band, Percussion Ensemble, Concert Band, Concert Choir, and Marching Band. I also serve as a student ambassador for LCHS."

How did OMPH School prepare you for those activities?

"OMPH School fostered in me the passion I have for music. It provided a unique foundation where I was exposed to music in the classroom as early as Kindergarten. The summer before second grade, I had the opportunity to take piano lessons. This moment was truly the beginning of my love for music. Since that summer, I have learned numerous instruments with the resources and lessons provided by the LCHS faculty as well as the help and encouragement from my teachers. Without my foundation at OMPH School, I would not have been exposed to experiences that have helped me determine my desired career path: music."

Do you have a message to share with current OMPH students?

"Get involved in as many extracurricular activities as possible! I was fortunate enough to attend a school that offers many opportunities to explore my interests. From CYO basketball, to piano, to track and field, I was able to determine my passion. Exposure to these hobbies led me to make my decision to pursue music!"

We are proud of what our graduates have accomplished since leaving OMPH School!
