

Our Mother of Perpetual Help School

Reverence, Respect and Responsibility

IT ALL STARTED AT OMPH!

OMPH School Alumni Spotlight

Kevin Draeger

OMPH Class of 2016

High School Attended: Lancaster Catholic (Class of 2020)

College Attending: Widener University, Majoring in Biomedical Engineering

Share with us some of the activities you've been a part of at LCHS and Widener:

"In high school, I was on the soccer and swim teams as well as the OMPH CYO basketball team. I was also involved in MiniThon, Ski Club, National Honor Society, National Spanish Honor Society, and a few other clubs. Now that I am in college, I am a part of Army ROTC, where I am training to become an officer in the US Army."

How did OMPH School prepare you for those activities?

"OMPH really gave me the foundation I needed to start off my academic journey. From studying in classes to making lasting relationships with friends and teachers, I really learned a lot about what it's like to be a Catholic student, and now adult, in today's society."

Do you have a message to share with current OMPH students?

"Respect everyone you meet. It really goes a long way in all your life because respecting others is the first step in gaining the respect of others. Also, work as hard as you can and give your full effort in everything you do. Hard work will open many doors in the future. Lastly, believe in yourself and your abilities because confidence is very powerful."

We are proud of what our graduates have accomplished since
leaving OMPH School!
