

Our Mother of Perpetual Help School

Reverence, Respect and Responsibility

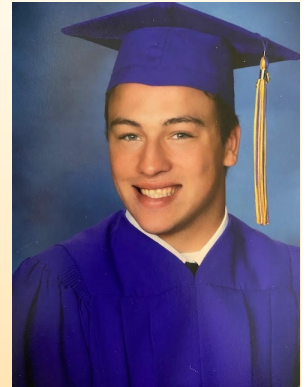

IT ALL STARTED AT OMPH!

OMPH School Alumni Spotlight

William McCormac

OMPH Class of 2017

High School Attended: Lancaster Catholic (Class of 2021)

College Attending: DeSales University, majoring in Nursing (B.S.N.)

Share with us some of your activities and events you've been a part of at LCHS:

“Outside of playing 4 years of football for LCHS, I also was a member of the Alpine Ski Club, campus ministry, an altar server, and a Eucharistic Minister. I joined the Ephrata Pioneer Fire Company almost 2 years ago. I have logged over 200 hours of Fire Academy training and 30 hours of water rescue training.”

How did OMPH School prepare you for those activities?

“OMPH taught me how to use my time wisely. Time management was a skill OMPH really instilled in me. Another thing that OMPH always reminded me of was the importance of helping others in my community.”

Do you have a message to share with current OMPH students?

“I am forever grateful for OMPH because it shaped me into the person I am today and showed me my calling in life. The patience and kindness the staff showed me, especially Miss Gardner, helped me to develop my faith. As I graduate and finish the Fire Academy this May, I will head off to DeSales University where I hope to get my Nursing BSN and continue to grow my faith and continue to give back to my community.”

We are proud of what our graduates have accomplished since leaving OMPH School!
