

August 26, 2026

Dear Parents/Guardians,

Welcome back to the 2026-2027 school year at Our Mother of Perpetual Help School! We are looking forward to serving healthy, nutritious meals to your children.

The school lunch prices are as follows:

Student Lunch - \$3.75

Adult Lunch - \$5.00

Milk (If purchased separately from lunch) - \$.75

Please complete and submit the Application for Free/Reduced Lunch to be considered for enrollment in the National School Lunch Program. If you were previously enrolled in the Lunch Program, unless you received notification from the school, you must reapply for the current school year.

When completing the application, you must report all gross income. This is the amount you are paid/receive before taxes and deductions. You must list any person living in the residence and any income they receive. This includes, but is not limited to, siblings, grandparents, family or tenants.

Lunches do not need to be prepaid and can be ordered every morning in your child's classroom. Payment will be deducted at time of purchase using the EZ School App. Please make sure your children know when they are buying so the cafeteria can prepare an accurate number of lunches. Milk is included with the lunch meal and is also available for \$.75 for children choosing to pack a lunch.

In accordance with our Wellness Policy, birthday treats are not permitted in the cafeteria. Parents may not drop off food from outside sources such as McDonald's or Burger King, etc.

Any questions regarding the cafeteria or lunch payments should be directed to the cafeteria at cafeteria@omph.org.

Thank you,
Stephanie Rife
Food Service Director/Manager
